An Assignment (Planner) book will be issued to each student at the beginning of the year. The assignment Notebook will also have the Middle School Handbook inside the front cover **which has been updated this year**. Some of the items you may want to go over with your child would be; how to report absence, prior out procedures, discipline policies, eligibility rules, grading practices, how make-up work is handled, and school closing procedures.

Students are required to have all books covered, but please do not use the self-adhesive book covers as they gum up and tear the cover off the book. If using the elastic stretch book covers you need to get the extra-large size to cover the middle school books.

When purchasing book bags please consider the size that will fit in the school lockers with no wheels please.
